## At HOTA we believe that art changes lives

When people like you support us, we can make great things happen.

Join us on our journey to create a place of inspiration, discovery and connection. A place for richer, deeper arts and culture experiences. A gathering place that locals love and visitors must see. A home of Gold Coast arts and culture.

### Donate a little (or a lot)

HOTA is a not-for-profit and your donation will have a real impact on the Gold Coast arts and culture.

Donating is easy, scan the QR code to find out how.

## Come on board and together we can

### Promote homegrown talent

We're committed to supporting local talent, developing young artists and inspiring the next generation to make, create and thrive. We support homegrown talent through residencies and workshops, provide workspaces, foster community connections, commission works and offer substantial incentives to make accessing performances more affordable.

### Make art for everyone

Real events, real people and real experiences are the heart of what we do. We're committed to creating opportunities for the community to discover, learn and connect to the arts. To achieve this, our program features free and low-cost events including performances, films, festivals and workshops. From the contemporary to the classics, we deliver programs that engage and inspire families, children, adults, educators and artists.

### HOTA Gallery, a home for visual arts

The award-winning HOTA Gallery has changed the face of arts and culture on the Gold Coast. Your support will help us to acquire great art for our City Collection, present world class national and international exhibitions and foster a love of arts in our next generation through education programs and ensuring the HOTA Children's Gallery is always open and free.

### A community of art lovers

We are pleased to welcome HOTA Benefactors to special events, opening nights and our monthly Coffee and Conversations morning tea. When you join as a HOTA Benefactor you become part of a passionate and welcoming community who share a love of arts and culture. We also look forward to recognising your contribution here at HOTA and online.
