# Copy for Footprint Colouring Comp:

**Brian the Giant has very big feet, and now he needs your help to decorate them!**

As the new theatre show *Beanstalk* gets ready to stomp onto the stage, we need your help to create a trail of giant footprints into the theatre.

Bring this footprint to life with your brightest colours and wildest ideas! The **ten most creative designs** will be turned into **GIANT** floor stickers that lead the way to the show. Each artist whose design is selected will also receive a magical prize.

All other entries will be displayed on our Footprint Wall of Fame for everyone to enjoy.

To enter this competition, download the footprint template and create your design. Submissions are due by the **29th of August**.
