AUDITION SCRIPT – KIDS TAKE OVER TV: HOTA EXPLORE

Hi! Welcome to *Kids Take Over TV* - a show hosted by kids for kids and families all about the awesome things happening during the Kids Take Over festival at HOTA!

Today, I'm exploring everything! First up I head out on a paddleboard across Evandale Lake to meet Indigenous elder Lann Levinge and learn what makes this place so special. It's a bit cold... but hey, we're kids!

Then I jump on the HOPO ferry. For just 50 cents, I can ride along the Nerang River, and during the festival, there's even a Mini Marketeers program where kids run their own stalls. How cool is that?

Next, I sneak into Theatre 1 where Arc Circus are rehearsing their new show *Into Space*. It's full of flips, tricks, and crazy stunts - and yes, I get to try a few too!

Now I'm in the kitchen with Chef Dayan. Apron on, hands in dough and we're making pizza from scratch. Mine? Extra cheese, of course.

And if you love games and movies, the cinema has gaming comps and movie marathons just for kids.

So, what are you waiting for? Start planning your day, because at HOTA, kids take over!
